Special Education Local Plan Area Funding Distribution

Describe the basic premise of the SELPA Allocation Plan for distributing dollars as closely as possible to how they are earned.

State AB 602 special education funding is distributed equally to each LEA based on average daily attendance and federal funds are distributed equally based on December 1 pupil count. The D/M SELPA retains some funding at the governance board's discretion to centralize and increase services.

Describe how the SELPA distributes IDEA revenues to the LEAs, including the models used to provide services to member LEAs:

The D/M SELPA special education revenue distribution model combines CDE certified state AB 602 funding and federal funding to calculate an equalized funding rate. Each LEAs certified ADA is multiplied by the equalized rate to calculate the LEAs apportionment. Adjustments are made off-the-top of the apportionment to cover purchased services, small district protection, and other governance approved service and support fees. The adjusted apportionment funds are distributed to members. Payments for AB 602 apportionments are processed monthly upon receipt of funds from CDE. Federal fund expenditures reports are collected and reported as prescribed by CDE and funds are distributed to members upon receipt of funds.

D. Budget Plan

Each special education local plan area (SELPA) must have a responsible local agency or an administrative unit (RLA/AU), which is the legal entity that receives funds and is responsible for seeing that every eligible child receives appropriate services.

Public Hearing Notice Posting Date:

The Budget Plan was adopted at a SELPA public hearing on (date):

Projected special education budget funding, revenues, and expenditures by local educational agencies (LEAs) are specified in **Attachments II–V**. This includes supplemental aids and services provided to meet the needs of students with disabilities as defined by the Individuals with Disabilities Education Act (IDEA), as well as those who are placed in regular education classrooms and environments, and those who have been identified with low incidence disabilities who also receive special education services. Special Education Local Plan Area Funding Distribution

Describe the basic premise of the SELPA Allocation Plan for distributing dollars as closely as possible to how they are earned.

State AB 602 special education funding is distributed equally to each charter based on average daily attendance and federal funds are distributed equally based on current year December 1 pupil count. The D/M Charter SELPA retains some funding at the governance board's discretion to centralize and increase services.

Describe how the SELPA distributes IDEA revenues to the LEAs, including the models used to provide services to member LEAs:

The Charter SELPA special education revenue distribution model combines CDE certified state AB 602 funding and federal funding to calculate an equalized funding rate. Each charter's certified ADA is multiplied by the equalized rate to calculate the charter's apportionment. Adjustments are made off-the-top of the apportionment to support governance approved service and support fees. The adjusted apportionment funds are distributed to members. Payments for AB 602 apportionments are processed monthly upon receipt of funds from CDE. Federal fund expenditures reports are collected and reported as prescribed by CDE and funds are distributed to charters upon receipt of funds.

Re: High Tech High – Notice to request early release from DM SELPA

Dear Jenae,

I am writing on behalf of High Tech High Charter Schools to formally request an early release from Desert Mountain SELPA to pursue another SELPA option. Per our conversation on January 24, 2020, it was determined that this option is in the best interest of both Desert Mountain SELPA and High Tech High Charter Schools.

Sincerely,

DocuSigned by:

6.0 CHIEF EXECUTIVE OFFICER AND STAFF REPORTS

6.1 Compliance Update

Jenae Holtz presented information regarding special education compliance including the recent mega letters and requirements. She reported that the California Department of Education (CDE) mailed the mega letter to LEAs last week. Jenae said that although special education directors or assistant superintendents would likely be handling compliance, she wanted the superintendents to be aware. She said the CDE has decided that instead of having multiple plans for multiple compliance issues, that all will be in one plan. If an LEA is in significant disproportionality, there will be additional responsibilities. Jenae continued that CDE announced that by February 14, 2020, all compliance documents will be accessible on a padlet. She said the template is similar to the Performance Indicator Review (PIR) and will follow similar guidelines. Jenae stated the LEAs will continue to work together to write the plans which will continue to be reviewed by D/M SELPA before being submitted to CDE. She said when reviewing the mega letter, it is important to remember that data in section “2018-19 Annual Determination” is from the previous year’s

monitoring. Jenae shared the link in section “Selection for 2019-20 Monitoring Activities” will provide details for all LEA compliance issues. She reminded the meeting attendees that D/M SELPA will review the data with the compliance teams to help them understand root causes as different plans are written. Jenae said the last section of the mega letter will tell the LEA what type of review they will be involved in: intensive monitoring, targeted monitoring, preschool review, and/or significant disproportionality. Jenae stated that CDE shared with State SELPA that if an LEA is in targeted monitoring, the SELPA and the district will report to CDE. However, if an LEA is in intensive monitoring, CDE will send a team and the process is similar to what comprehensive review used to look like. The SELPA, the LEA, and CDE will work together to get ensure compliance is being met appropriately. Jenae concluded that the instructions in the meeting packet help explain the language in the CDE mega letter.

6.2 Desert/Mountain SELPA and Charter SELPA Local Plan Rewrite Timeline

Jenae Holtz presented the timeline for the Desert/Mountain SELPA and Charter SELPA Local Plan rewrite and public hearings to support community input to the plan. She stated that by law, both local plans must be rewritten and submitted to CDE by June 30, 2020. This requires several public hearings and public participation work groups. Jenae said the work groups will be workshop style so participants have an opportunity to provide input in a strategic manner. The first work group is scheduled for February 20, 2020. Jenae said the local plan is required to state the special education requirements and law as well as what the SELPA responsibilities and requirements are with the documents being supported by policy. Jenae stated that immediately following the February and March D/M SELPA Steering/Finance Committee and D/M Charter SELPA Steering/Finance Committee meetings, there will be public hearings for the public, Community Advisory Committee (CAC) members, and Steering members to participate in. Jenae stated she will present the updated and final local plan to Governance Council for approval at the April 29, 2020 meeting then submit to CDE. Jenae said the law provided an extension for the LEA boards to approve the local plan by June 2021. She stated that Jamie Adkins and Daria Raines will work with LEAs to get the local plan on individual board meeting agendas. Jenae volunteered to speak to the individual boards regarding the local plans if needed.

6.3 Desert/Mountain SELPA Local Plan Rewrite (First Read)

Jenae Holtz presented the Desert/Mountain SELPA Local Plan Rewrite for the first read by the Governance Council. The CDE is requiring more information be included in the local plan than previously. Jenae said that in reviewing policies, she found some policies were missing to support what is required by law. She said moving forward, D/M SELPA and D/M Charter SELPA will begin using a numbering system for board policy and administrative regulations. Having a numbering system will make it easier to locate policy. Jenae reported that CDE is not requiring numbered policies until June 2021.

Jenae concluded that language regarding preschool will be removed from the D/M Charter SELPA Local Plan.

She stated the D/M Charter SELPA Administrative Regulation is mirroring that of West End SELPA with adjustments to fit the Desert/Mountain region. Jenae said she does want input on the documents from Governance Council members. She stated there is redundancy in the documents as the CDE has asked for the same information repeatedly.

Jenae Holtz reported the Special Education Summit is scheduled for Thursday, September 10, 2020 at the Desert Mountain Educational Service Center. This summit will be for superintendents, assistant superintendents, special education directors, Desert/Mountain Operations and Desert/Mountain SELPA. 6.10 California Longitudinal Pupil Achievement Data System (CALPADS) Submissions

Jenae Holtz presented information regarding the recent CALPADS submissions. She said in the recent CALPADS submission there was an error with San Bernardino County Superintendent of Schools (SBCSS) and CALPADS. She reported the error was realized on the submission due date. Jenae explained that when SBCSS entered students that they provide services to as the secondary, it overwrote the LEAs being the primary service provider. She continued that this error only affected the high desert region. Mary Ellen Johnson has been in contact with CALPADS and CDE to get the error resolved. Jenae said LEAs will receive the Local Control Funding Formula (LCFF) Supplemental and Concentration Grant Unduplicated dollars but they will not show in the LEA until January 2021. Jenae concluded that D/M SELPA will work with LEA CALPADS contacts to get errors corrected in CALPADS, but she wanted to notify the superintendents before contacting those staff.

6.11 Governor's Budget for Special Education

Jenae Holtz provided information on the Governor's Budget for Special Education. She shared the state is looking at equalizing special education Average Daily Attendance (ADA) funds. D/M SELPA is one of the lowest funded in the state. Equalizing will provide a slight bump in revenue which will help a little. Assembly Bill 602 allocation formula is being changed. Jenae continued that the Governor put a freeze on any single district becoming their own SELPA. She said the restrictions on how mental health dollars can be used and for only clinical people. The Governor is looking at opening the funding to be unrestricted which is a concern because the dollars might not go to mental health needs.

7.0 INFORMATION ITEMS

Structured Literacy What, Why, Who, and How?

Presented By

Time

Training time 8:30 a.m. - 3:00 p.m.

Cost

Do your students struggle with literacy?

Do you have struggling readers in your class?

In this course, participants will first be provided with a brief overview related to the reading brain and dyslexia. Then, participants will take a deep dive into structured literacy, an instructional approach used to explicitly, systematically, cumulatively, and diagnostically teach reading.

The term was coined by the International Dyslexia Association to encompass evidence-based approaches (e.g., Orton Gillingham) and programs that are aligned to the Knowledge and Practice Standards for Teachers of Reading. Participants will walk away with an understanding of structured literacy and how to apply it through explicit, multisensory, structured, sequential, comprehensive, and cumulative instruction.
